GIUSEPPE RICHIUSA

Nato a Bompietro (PA). Dopo aver frequentato per diversi anni la scuola di pittura presso la scuola del maestro Santo Nania a Legnano seguendo corsi di disegno e studio del colore, si è dedicato con passione alla pittura "Impressionista" con libera interpretazione personale.

L'esigenza del cambiamento è maturata attraverso il filtro emozionale, traducendo la forma con la gestualità segnica.

Questo tipo di espressione è stata la giusta intuizione che ha saputo stimolare e far crescere maggior sicurezza nelle scelte che riflettono la sua personalità.

Ha partecipato a diverse mostre personali e collettive a Torino, Novara, Pila, Pienza, Mapello, Trivero, Legnano e molte altre con apprezzabili risultati.

Born in Bompietro (PA). After attending the painting school of master Santo Nania in Legnano for several years, where he took courses in drawing and color theory, he passionately devoted himself to "Impressionist" painting, developing a personal and freely interpreted style.

His need for change grew through an emotional lens, translating form into expressive, gestural marks.

This form of expression proved to be the right intuition, stimulating his growth and reinforcing confidence in choices that reflect his personality.

He has participated in several solo and group exhibitions in cities such as Turin, Novara, Pila, Pienza, Mapello, Trivero, Legnano, and many others, with commendable results.
